# CANDLE Tutorial: Software installation

ECP Annual Meeting, Houston, TX
February 4, 2020

**Justin M Wozniak**
Data Science & Learning
Argonne National Laboratory
woz@anl.gov

# Installation instructions

Before the tutorial, install the conda and spack components described here, and run the stand-alone test:

- https://github.com/ECP-CANDLE/Tutorials/tree/master/2020/ECP

During the sessions, if on the hotel network, consider running the tutorial on a remote workstation to limit network congestion
